Zoe Anderson : The Ballet Lover's Companion before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ballet Lover's Companion:

2 of 2 people found the following review helpful. yet entertaining guide to the greatest and even lesser known ballets of our timeBy CustomerA thorough, yet entertaining guide to the greatest and even lesser known ballets of our time. A must for any ballet lover or historian.0 of 0 people found the following review helpful. Very goodBy A. MARIA RCI loved It! I've spent may hours enjoying it.4 of 5 people found the following review helpful. and she fell in love with this book when I gave it to her ...By LeslieOne of my friend's daughters is passionate about ballet, and she fell in love

with this book when I gave it to her as a birthday gift. Perfect for those interested in detailed info about the world of ballet.

A richly informed, up-to-date performance guide to more than 140 favorite ballets, from the classical era to the present day. This engaging book is a welcome guide to the most successful and loved ballets seen on the stage today. Dance writer and critic Zoe Anderson focuses on 140 ballets, a core international repertory that encompasses works from the ethereal world of romantic ballet to the edgy, muscular works of modern choreographers. She provides a wealth of facts and insights, including information familiar only to dance world insiders, and considers such recent works as Alexei Ramansky's Shostakovich Trilogy and Christopher Wheeldon's *The Winter's Tale* as well as older ballets once forgotten but now returned to the repertory, such as *Sylvia*. To enhance enjoyment of each ballet, Anderson also offers tips on what to look for during a performance. Each chapter introduces a period of ballet history and provides an overview of innovations and advancement in the art form. In the individual entries that follow, Anderson includes essential facts about each ballet's themes, plot, composers, choreographers, dance style, and music. The author also addresses the circumstances of each ballet's creation and its effect in the theater, and she recounts anecdotes that illuminate performance history and reception. Reliable, accessible, and fully up to date, this book will delight anyone who attends the ballet, participates in ballet, or simply loves ballet and wants to know much more about it.

Ballets long history is well served by this compact guide to its core repertory. . . . [Anderson's] knowledge and elegant prose create an engaging work that will appeal to ballet neophytes and veteran balletomanes alike. Carolyn Mulac, Booklist
