Simple tips and strategies make the game fun for the amature, and almost completely remove the house advantage in Blackjack. You gain confidence and can relax and enjoy the game because you know you are doing it right. Using the easy techniques taught in this book, you can even the odds. Don't lose another winning hand because you are too lazy to read a few pages. A must-read for anyone who intends to visit a blackjack game, especially first-timers.1 of 1 people found the following review helpful. A must-read for the beginner before you hit the blackjack tables.By ChrisI picked up this book in the Las Vegas airport at the end of my first trip to Las Vegas. I wish I had got it at the beginning of the trip. This is a thin little book that teaches basic strategy and can easily be read in one sitting before arriving in Vegas. Once you have mastered basic strategy, you can move on to some other more advanced books such as Blackjack Bluebook.

This is an excellent beginner's book. It's targeted for beginning players who want to learn the basics of one of the most popular casino games. Easy-to-read and written in a conversational style, players learn how to understand the various bets and terminology and gives them the confidence to play like a pro. 10 quick-reading chapters explain all the rules and intricacies of the game. Includes money management strategies, glossary, illustrations and charts. New edition includes a revised introduction and the newest variations of the game.
