Susan Wilson : The "Beatles": 1958-64 v. 1: Anthology before purchasing it in order to gage whether or not it would be worth my time, and all praised The "Beatles": 1958-64 v. 1: Anthology:

This is a glossy, 11.5" x 11.5" square paperback book called the BEATLES 1958-64. It is out of print. There are several inserts of actual memorabilia from this time period, such as John Lennon's business card from the Quarrymen, etc.
