2 of 2 people found the following review helpful. Amazing bookBy ARNOLD FERNANDEZGreat reading for Beatles' fans. Will buy the second hald (67-70) Great restrospective of how the songs evolved. Not a technical book on how the songs were recorded, but what inspired the songs0 of 0 people found the following review helpful. Five StarsBy Al GibThey are great!

Who was just 17 and made Paul's heart go 'boom'? Was there really an Eleanor Rigby? Steve Turner shatters many

myths and adds a new dimension to the Fab Four's rich legacy by investigating the events immortalized in the songs that took the Fab Four to the top of the charts in the early '60s.
