The Beatles : The Beatles: Complete Scores (Transcribed Score) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Beatles: Complete Scores (Transcribed Score):

FullerI got both volumes of this set, and they have not only the complete Beatles repetoire, but also some of their covers. It does not have John Lennon songs such as Imagine, the Beatles songs are all Lennon and

McCartney, but otherwise they really are complete. The arrangements are good. My only complaint is that they are bound and will not stay open on a music stand. I have to clip the pages back with a heavy refrigerator magnet to hold it back, and it is difficult to turn pages. It would definitely have gotten 5 stars if it were spiral bound like my classical collections. 2 of 2 people found the following review helpful. Complete versions of some songs but others are lacking. By RAS5028 I've only had a chance to try a few songs from this book so far. My initial impressions are as follows: Some, but not all of, the arrangements are very complete, even including solo guitar parts. However, there is a glaring omission of lyrics and melody in "The Night Before." Where the song is supposed to be "We said our goodbyes (Ah! The night before)" and similar passages, it just has "We said our goodbyes (blank)." Fortunately I have another song book (from the 1960s) that has the complete version of this song. Also, I was disappointed that the book does not include "Roll Over Beethoven" (originally by Chuck Berry), even though it has a number of other songs that were written by others and covered by the Beatles. 0 of 0 people found the following review helpful. Love hearing the Beatles. By Lorin J. I got these for my wife both vol 1 and vol 2, she loves the Beatles and I love hearing her play the piano. She has worked through the books and has really enjoyed the books. The arrangement is difficult on some of them. Gave it 4 stars the book is large and does not fit easily on the piano. I think it would have been best to break it up into 4 vol instead of 2.

(Transcribed Score). A fitting tribute to possibly the greatest pop band ever - The Beatles. This outstanding hard-cover edition features over 1100 pages with full scores and lyrics to all 210 titles recorded by The Beatles. Guitar and bass parts are in both standard notation and tablature. Also includes a full discography. Songs include: All You Need Is Love * And I Love Her * Baby You're a Rich Man * Back in the U.S.S.R. * The Ballad of John and Yoko * Blackbird * Can't Buy Me Love * Come Together * Drive My Car * Eleanor Rigby * From Me to You * Glass Onion * A Hard Day's Night * Help! * Hey Jude * I Saw Her Standing There * I Want to Hold Your Hand * Michelle * Penny Lane * She Loves You * Twist and Shout * Yesterday * and many more! Book is packaged in its own protective box. A must-own for any serious Beatles fan or collector! 7-2/8 x 10-7/8 .
