Mike Venezia : The Beatles (Getting to Know the World's Greatest Composers) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Beatles (Getting to Know the World's Greatest Composers):

0 of 0 people found the following review helpful. Informative but disappointing By Jessica H Does have some good information on the band members and how they started. Certainly not dumbed down for a child. But, I thought it would discuss the music a bit more. It lacked enthusiasm and not sure a kid would love this book. Great series but somewhat disappointing book. 0 of 0 people found the following review helpful. ... third grade teacher and author Mike Venezia is the best. I have also purchased his entire set of ... By Leslie Yamada I am a third grade teacher and author Mike Venezia is the best. I have also purchased his entire set of artist and president's books for my students to read every year. They love the books. They are educational and entertaining. You will not be disappointed with this Beatles biography. The text and art work is wonderful. Thank you Mike! 4 of 4 people found the following review helpful. AND MAY I INTRODUCE TO YOU... By BeatleBangs1964 This is a book I would have given ANYTHING (within bounds of reason) for as a child. I love it! This is a delightful read that will hopefully introduce this next generation to the Beatles and the social and musical impact they had on the world. It is an excellent teaching tool for parents and

educators. I have always believed, from the time I was a very little girl, that the Beatles have set new standards in music. I think this book does an excellent job of introducing the act you've known for all these years to the next generation. The Beatles are timeless.

This series meets National Curriculum Standards for: Social Studies: Culture

From Booklist [SERIES LAST REVIEWED IN BKL S 15 96, under Venezia, Mike. Gr. 2[^]-4.] "A great way to prepare children for the pleasure of a museum visit or a concert." About the Author Mike Venezia is the author of several nonfiction books for children.
