Just what I wanted!By Randall R. BernerI have this book in paperback. I got it years ago as a gift. The bad part is...I used it in a video I produced once and it got cut up and broken apart. I always wanted to replace it but never got around to it. When I saw this in hardback...I needed it. The book arrived with a few more defects than I remember being described but it looks like I've had it for years...so much the better.0 of 0 people found the following review helpful. For the beatle intellectualBy Richie JinglesFor the diehard fan-- which includes me. great detail and photos of every recording session, no more, no less.

This is EMI Records' official diary-format history of every Beatles recording session. Over 350 color black white photographs and illustrations, including rare photos by Linda McCartney and the first facsimile reproductions of Abbey Road recording sheets, tape boxes, album sleeve roughs, memos, contracts, press releases and much more.

A compelling journey deep into the heart of Abbey Road. . . . Reveals scores of previously undocumented private moments Rolling Stone
