Terry Burrows : The Beatles: The Story of the Fab Four's Swinging Sixties before purchasing it in order to gage whether or not it would be worth my time, and all praised The Beatles: The Story of the Fab Four's Swinging Sixties:

In 1963, four guys from Liverpool exploded on the scene, changing musicand popular cultureforever. No other band achieved so much in so little time, leaving such a lasting impression on everything from fashion to politics. Celebrate the Beatles with this picture-packed volumeincluding images of vintage posters, handbills, and tickets that tells their story from the beginning to their ultimate breakup.
