I had book 1 and had no idea there was a book 2 until I looked on . The book is spiral bound and large which makes it easy to fold the pages back and lay the book flat (unlike a paperback). This puzzle book has 3 sections and are challenging enough to be thought provoking but not at a level where it's complete frustration. Thoroughly enjoyable. 0 of 0 people found the following review helpful. Good Crossword puzzles book By David Bigg This crossword puzzle book is very challenging. It has some unusual crosswords in the second half of the book that you have to be a creative thinker in order to find the answers for them. 0 of 0 people found the following review helpful.
