Even though the book is a higher reading level he would normally read, he applies himself to try and has actually greatly improved his reading skills while learning almost everything there is to know about minecraft! Great book!0 of 0 people found the following review helpful. Perfect for beginning buildersBy KK BellaThere is so much good stuff in this book. My 9 year old daughter loves it and is planning on building her underwater house and other cool ideas in this book. She had checked out the original version at the library and this one is definitely worth the investment.0 of 0 people found the following review helpful. Two StarsBy Karen G HawkinsAll known to most kids who are really into MineCraft... :(

With more than 100 million registered Minecraft accounts and rights picked up by Warner Brothers for a The Lego Movie style, action-adventure film, Minecraft is on its way to becoming the next big childrens brand. While there are several successful game guides on the market already, this book will be the first unofficial hackers super-guide dedicated to fighting mobs, building , and much more that is especially geared toward seven- to twelve-year-old Minecrafters. With The Big Book of Hacks for Minecrafters, kids will learn how to build awesome structures, defense strategies for fending off hostile mobs, and great tips on mining, farming, and more! Other tips will help gamers: know which animals to domesticate and how to do itproperly use potions and enchantmentsbuild and customize a survival homeselect appropriate weaponryand much more! Packed with expert tips, cheats, and hacks on building, fighting, farming, enchanting, mining, and more, The Big Book of Hacks for Minecrafters shows exactly how the experts bring their amazing structures to life (like a Japanese pagoda or underwater dome) and fight every single type of mob (from Blazes to Zombie Pigmen and everything in between). Illustrated guides will let every kid follow along with each tip step-by-step to master the Minecrafting world. In particular, this adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO.

About the Author Megan Miller is a freelance writer and editor and has been playing video games since the olden days of the first Castle Wolfenstein. Since Minecraft 1.2, shes been throwing Ender Eyes to find strongholds, building sugar-cane pyramids, and looking for sneaky ways to kill mobs without getting killed herself in the process. She is also the author of Hacks for Minecrafters and Hacks for Minecrafters: Master Builder, and she lives in the Mesa Plateau biome of Santa Fe, New Mexico, with her own tamed wolf named Layla.
