It is not a story but a collection of pictures from previous books, cards, calendars, etc all combined into one. We gave one as a "Dirty Santa" gift (which was properly fought over) and kept one for ourselves and putt Christmas book collection. Will be buying more for future gifts!0 of 0 people found the following review helpful. Now, those memories, illustrated by one of America's favorite artists, are gathered in this Big Book of Santa. This special edition contains Mary's favorite Santa works of art. You don't have to be a child to appreciate the magic of Christmas. By recalling the joy and innocence of children, the excitement and activity of the preparations, and the true meaning of the season, Mary Engelbreit's art captures that we all hold dear.
