Great for Scrabble fansBy Mitch NCWorking these Scrabble Grams are fun for people who like Scrabble or who like working crossword puzzles. It's fun to challenge yourself with these puzzles.

Put on your thinking caps and get ready to solve some SCRABBLEgrams: the pen-and-paper reinterpretation of the favorite board game played by more than 100 million people around the world. These innovative puzzles, just like the popular ones syndicated in newspapers nationwide, provide endless fun in an easy-to-understand Scrabble-based format. To play, make a 2 to 7 letter word from the tiles pictured on the page. Then add up your score in the boxes on the right. Compete against your own best scores, or compare your words to the "best answers" given in the solution.

Once you've started solving SCRABBLEgrams, you'll never go back to ordinary word games again!
