Sean Cliver : The Big Brother Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Brother Book:

0 of 0 people found the following review helpful. ExcellentBy Reader/AuthorBought this for my son and he absolutely loves it!! A great and fun coffee table book at the very least - I dare your friends not to at least pick it up given the title! Well done.0 of 0 people found the following review helpful. Five StarsBy Matthew BecerraDefinitely buy this.0 of 0 people found the following review helpful. Five StarsBy BobbyRad

No other magazine pushed the boundaries of skateboarding and pop culture like Big Brother, the raunchiest, rowdiest magazine to come out of the 1990s. Constantly at the center of much-deserved controversy, the rag has been decried as pornography, bought and unexpectedly dropped by Larry Flynt of the Hustler empire, and credited as the genesis of the Jackass universe; it was also the champion of unknown skaters and featured some of today's biggest names in skate culture when they were just children. Now author Sean Cliver puts a bow on the publication with The Big Brother Book, a collection of covers and spreads from every issue of the notorious publication. Featuring high-quality scans of the magazine itself no production or layout files remain in existence with just enough text to explain what's going on and choice quotes from each issue, this book makes it easy as well as fun to stoop to Big Brother's level.
