From Createspace : [THE BOOK OF CRYPTIC CROSSWORD PUZZLES VOLUME TWO] By Williams, Wayne Robert (Author) 2012 [Paperback] before purchasing it in order to gage whether or not it would be worth my time, and all praised [THE BOOK OF CRYPTIC CROSSWORD PUZZLES VOLUME TWO] By Williams, Wayne Robert (Author) 2012 [Paperback]:

1 of 1 people found the following review helpful. After All These Years!By El Gordo 42Years ago, I had a book of puzzles by Wayne Robert Williams and had enjoyed them a lot. Looked for more and they just weren't out htere. After an 18 year break, he's back!This fellow uses anagrams and hidden words for the bulk of his clues, so if it bugs you when 60% of the clues are anagrams, this is probably not the book for you. Otherwise these are easy-to-moderate difficulty and well-written.0 of 0 people found the following review helpful. American crypticBy MooffEasier than most British newspapers but it's about my speed so I enjoyed it. It's tricky to remember that most "o"s don't have a "u" right after.0 of 0 people found the following review helpful. EnjoyableBy GrammyI have done cryptic crosswords for years. This book is enjoyable--fairly easy for a cryptic lover but still fun. I read another review that claims that 90% of

the clues are anagrams, and I would guess that another 9% are hidden. I still enjoyed the whole book.
