Sister Elizabeth Donderstock is Squeamish, has been her whole life. She makes cheese balls (traditional and smoky) that sustain the existence of her entire religious community, Clusterhaven. However, she feels unappreciated among her Squeamish brethren, and she decides to try her luck in the outside world. Along the way, she meets a Cockney-speaking Ukrainian immigrant couple who find her a job waiting tables at Plymouth Crock, a family restaurant run almost entirely by recovering alcoholics. The alcoholics love her. The customers love her. Her Danderfrock fits right in.
