In answer to a prior review, to be fair, you can't write 100 unique crossword puzzles with only dog related answers and clues. That would be boring and impossible. Love the dog theme sprinkled in though! There is also a companion Cat Lover's Crossword book as well. Check out both.

This fun puzzle book has 100 dog-themed, medium difficulty crossword puzzles to delight everyone who is partial to pooches. Conveniently pocket-sized. Answers are in the back of the book.
