before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Card Book: Interactive Games and Activities for Language Learners:

2 of 2 people found the following review helpful. Useful for beginner ESL By Kay S Useful for beginner ESL. The directions are on one page and the game "cards" to be copied and cut are on the other page. Some English needed to understand instructions and some reading needed to carry out the game. There are some cards with just pictures, but instructions and speaking are still needed

An innovative resource package of 243 reproducible cards covering nine subject areas which includes food, clothing, tools, road signs, faces, furniture, animals, daily activities and leisure activities. Each card set is accompanied by six activities covering information sharing, opinion sharing and problem solving. The cards have line drawings of the subjects on them, and are small enough to hold and use on students' desks. They can also be reproduced to make sets for small groups and pair work.
