John Halpern : The Centenary of the Crossword: The Story of the World's Most Popular Puzzle before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Centenary of the Crossword: The Story of the World's Most Popular Puzzle:

0 of 0 people found the following review helpful. Impressive and a bit Challenging !By quackerfan1I bought The Centenary of the Crossword: The Story of the World's Most Popular Crosswords as a gift. My Father does the daily crosswords in the newspaper so I figured that I would step it up a notch for him. This book is impressive and challenging for the daily grinder. He liked how they changed the puzzles up a bit and said, "it was refreshing". Happy Shopping!0 of 0 people found the following review helpful. ... bought it as a gift for someone and they love it.By Barbara SchwartzI actually bought it as a gift for someone and they love it.

The history of the the world's favorite word puzzle, alongside 50 example puzzles to solve Forget riddles, conundrums, or that modern usurper Sudoku, the crossword is the original and best word puzzle and it has truly stood the test of time. A decade-by-decade history of the world's favorite word puzzle, this book starts from its beginnings in December 1913 in the New York World newspaper and traces its path to total global domination, with each chapter including puzzles from that era for readers to solve. Next it examines the myriad of different puzzle types, and again provides examples. Following that it discusses different crossword setters, offering their words of wisdom as well as example puzzles. The history concludes with a consideration of future solving and the next 100 years.
