**Joshua Conkel : The Chalk Boy** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Chalk Boy:

Synopsis: Beneath its boring facade there is more going on in the tiny town of Clear Creek than the opening of the new Taco Bell. Four of the town's local girls are here to take you on a tour of their funny, yet brutal reality. They struggle

with faith, friendship, sex, the occult, algebra, and the disappearance of... The Chalk Boy. This is a deathly black comedy that punches as hard as your high school bully. Cast Size: 4 Females "Conkel has a keen ear for the often comical, self-absorbed posturing and casual vulgarities of contemporary teen-spiel..." - Variety "If the satire is at times wickedly funny, Conkel makes his teenage girls, and the pressures they have to cope with, real enough that we want to take them seriously." - San Francisco Gate "Filled with appalling but true-to-life observations and a keen ear for teenspeak..." - Backstage
