James Eade : The Chess Player's Bible: Illustrated Strategies for Staying Ahead of the Game before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Chess Player's Bible: Illustrated Strategies for Staying Ahead of the Game:

1 of 1 people found the following review helpful. Definitely the book for those who wish to know the whys and hows. By Ronald/Linda Datesman CPB is beautifully organized and presented in such a logical manner that even the

most hopeless beginner (me) would not walk away without saying 'oh, that's why' a hundred time over. If you've ever sat at the chessboard at the end of the game, and thought what the heck just happened to me, this is the book for you. 0 of 0 people found the following review helpful. Five Stars By Jorge Aguirre Lopez Excellent book. 1 of 1 people found the following review helpful. Excellent Starter Book, and great all-round reference By Mark Pankhurst Well organized and well illustrated. Excellent starter book, but also a really great reference for club level players. Coiled binding allows it to lie flat while you play the extracts, etc. An excellent value and a great gift to a young chess player.

Learn quickly and at a glance how each chess piece moves on the board, then discover the games single object, which is to capture the enemys king and to achieve checkmate. Heres an entertaining and informative manual for beginners, but its filled with tips and techniques learners will retain and successfully employ as their skill develops and they match themselves against experienced players. With annotated illustrations and more than 300 examples, this fascinating manual demonstrates Openings used by international masters, including the Ruy Lopez, the Queens Gambit Declined, the Sicilian Defense, and others Basic and advanced strategies, tactics, sacrifices, and pawn structure to help learners master the chess middle game End game, with emphasis on use of rooks and pawns Its a comprehensive and compact reference that will find a ready place in school and private chess clubs. This book will also be a favorite among individuals who wish to discover chess as a pleasurable way to spend a social evening.

From the Back Cover back cover * Master the ancient art of chess, the game of kings. Learn the key techniques and classic moves of the chess masters, including basic and advanced tactics, combinations, sacrifices, and pawn structures. * This unique visual guide is arranged so that you can quickly identify your problem and locate the appropriate solution. Over 300 examples demonstrate attacking and defensive strategies for the opening, middle, and end phases of the game. Each move is accompanied with annotated 3-D illustrations so you can easily follow the moves, and the spiral-binding allows you to lay the book flat for ease of reference. James Eade has written several books about chess, including the best selling Chess for Dummies. He has been the editor of two chess journals and is a former president of the Chess Journalists of America (CJA). He has won the CJA award for best instructional article, and an honorable mention for best state magazine. He was an executive board member of the United States Chess Federation (USCF) from 1996-1999, and of F.I.D.E. (the international chess organization) from 2000-2002. He is a trustee of the US Charitable Chess Trust. As a player, he was awarded the title of Chess Master by the USCF in 1981 and by F.I.D.E. in 1993. He lives with his wife in Menlo Park, California.
