City Theatre's Family of Playwrights, Susan Westfall, Amy Coker : The City Theatre Anthology 2015 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The City Theatre Anthology 2015:

The first City Theatre Miami anthology includes a variety of scenes, monologues, and short plays, some commissioned and produced by City Theatre for their annual Summer Shorts short play festival, others the finalists for the City Theatre National Award for Short Playwriting Contest, and a variety of unedited pieces written during

workshops at the CityWrights Playwriting Conference in Miami, Florida. A variety of style and length of work appear in this anthology, written by playwrights of all ages and backgrounds. The first--but not last--of it's kind for the 20-year-old Miami theatre.
