Teri Litorco : The Civilized Guide to Tabletop Gaming: Rules Every Gamer Must Live By before purchasing it in order to gage whether or not it would be worth my time, and all praised The Civilized Guide to Tabletop Gaming: Rules Every Gamer Must Live By:

0 of 0 people found the following review helpful. Save your money... "Dont be a Jerk" sums this one upBy OmarI gave it three stars ("Its Okay") simply because it was a waste of money. While full of good advice, none of it is new. The whole book can easily be summed up as "Dont be a jerk" as other reviews have said.I'm not entirely sure exactly what I expected, but I felt let down after reading through it.3 of 3 people found the following review helpful. This is a book that is sure to be unappreciated by those that need it most.By J. M. LavenderMost of the advice in this book

comes down to, "Don't be a jerk." The hobby does have its share of jerks but I doubt those individuals will ever read this book and if they do, won't see the value. It's like gun control - the people that will abide by the law already do and the people that don't never will. I enjoyed the part about teaching games to others, but most of it is just about behaving with some decorum and common decency around other people. I wish this message was delivered with more humor but as it is, the advice is inarguable, valid, and obvious to most. 3 of 3 people found the following review helpful. A lot of people in your gaming group could use this advice! By Stephen Severino
Finished this book that my wife got me for Christmas 2016, written by gamer/blogger/vidcaster Teri Litorco. It was a fun read, and full of solid advice. I've been tabletop gaming for a very long time and have encountered many of the "uncivilized gamers" Teri describes in her book. No matter how experienced you are, every gamer will gain some useful insight from this book. Recommended.

Don't Be a Beardy Gamer "A very funny and useful read on its own, but it also makes a great gift for that sore loser in your life." --The New York Times "An indispensable, laugh-out-loud guide to the pitfalls and pleasures of gaming." ~Graham McNeill, Warhammer Fantasy and Warhammer 40,000 novels author; former Games Workshop designer "For anyone looking to be a part of one of the greatest communities in the world!" ~Brittanie Boe, editor of GameWire "A warm, insightful guide for exploring one of geek culture's oldest realms." ~Aaron Dembski-Bowden, author of New York Times bestselling book *The Horus Heresy: The First Heretic* Whether you're new to the world of tabletop games or a veteran gamer, *The Civilized Guide to Tabletop Gaming* is your go-to game-night etiquette guide. Expert gamer Teri Litorco, of the gaming site *Geek and Sundry*, helps you to get along as you play and make the most out of your time with your gamer group. Packed with insider advice and etiquette tips, this essential guide includes advice on everything from sharing crib sheets and meeples to avoiding drama and poor sportsmanship at the game table. With 100 gaming etiquette rules, *The Civilized Guide to Tabletop Gaming* provides you and your group with all you need for a fun and respectful game night--without rage-quitters, bad losers, terrible winners, and Incredible Sulks!

Teri Litorco has written a hilarious book. Ms. Litorco's book teaches all sorts of useful skills, like proper hygiene for being in proximity to other gamers, how to play gracefully so you don't get smacked down, how to keep your gaming group from killing you and how to host a game night like Martha Stewart. A very funny and useful read on its own, but it also makes a great gift for that sore loser in your life. (The New York Times) "Wonderful ... full of useful advice for bringing everyone, even your family, to the gaming table." (Vice Motherboard) Litorco's writing style approaches the hobby with a clear passion and warmth. The book's patient and down-to-earth style is likely to be ideal for a complete newcomer opening up this wonderful hobby to a wider audience. (Tabletop Gaming Magazine) Teri Litorco's new book, *The Civilized Guide to Tabletop Gaming* is about much more than gaming. The practical advice that Litorco dispenses with equal parts humor and candor will help make you a better person. The prose is friendly, informative, and illustrated with real-life examples. If that's the kind of experience you'd like to have, grab a copy you'll be glad you did. (Games World of Puzzles) Teri has a great perspective on the hobby, so it's perfect she's crafted this guide as an insider with a wealth of experience to share. Teri's got a great sense of humor and brings that into her writing. I really enjoyed my read of the *Civilized Guide* it was personable, fun and interesting. This is a perfect stocking stuffer for these holidays, or for a quick read between rulebooks. (The Daily Worker Placement) The book covers a lot of evergreen topics like finding a good Friendly Local Gaming Store. A great gift for that gamer wanting to get deeper into the gamer scene, FLGS owners looking to reach out to new customers, and more! (Geek and Sundry) In this book, Litorco outlines how to participate in every facet of the tabletop gaming hobby. This is a book that's built to last, to grow alongside the reader. It's a handbook and should be approached as such. Whether you're just learning the ropes or planning your first con, there's something here for just about every kind of gamer. (Entropy Magazine) A perfect introduction to all things gaming. This delightfully nerdy tome is loaded with thoughtful advice. Teri has dealt with every obstacle imaginable, and she offers her hard-won first-hand knowledge in easily digestible tidbits. Even as an experienced tabletop gamer, roleplayer, and puzzler, I found this to be a very worthwhile read. (PuzzleNation) About the Author Teri Litorco is a vlogger and blogger at the popular gaming site *Geek and Sundry*. She's a wargamer and tabletop gaming fan, and runs several other nerdy projects, including a weekly *Star Trek* Twitter chat, the *Jaded Gamercast* gaming podcast, and many other popular gamer geek projects. She lives in Calgary, Alberta.
