Patsy Clevenger : The Collector's World of MM'S(r): An Unauthorized Handbook and Price Guide (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Collector's World of MM'S(r): An Unauthorized Handbook and Price Guide (Schiffer Book for Collectors):

2 of 2 people found the following review helpful. Not what I expected By Terrell Anderson If you want this book

thinking you are getting something with items you can find locally, then you are going to be disappointed. It is a good book but if you are a collector on the lookout for new or current items in which you might find around town you might want to look elsewhere. 0 of 0 people found the following review helpful. but good for its tme line By avid gardener Not what i expected. Needed a price guild for more vintage MM items. but good for its tme line. 1 of 1 people found the following review helpful. Very poor Collectors Book-Don't waste your money By John Kraiss Had very little info on items I was looking for. Stated it had most of the MM dispensers but only had a handful of examples. Very disappointed.

Here's a sweet treat for collectors of colorful MM's characters, starring regular and peanut. This is a serious collector's guide to those smiling candies with a tough exterior and a gooey heart, and now has even more wonderful examples. Author Patsy Clevenger, who describes the smiles of the MM characters as "absolutely infectious," first provides readers with a concise review of the candy's history, including a timeline of MM colors featured from 1940 through the 1990s. This comprehensive and enjoyable guide then leads the reader on a tasty tour of MM collectibles, complete with values for the hundreds of items shown, which range from kitchen towels to tins, toppers, posters, and jewelry. Additional sections on advertising items and MM packaging round out the book.

About the Author Patsy Clevenger lives in the wilds of southwest Washington state where she furnishes an 1885, four-story boarding house with many antiques and collectibles, including the characters featured between the covers of this book.
