From Brand: Master Point Press : The Complete Book of Bols Bridge Tips before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Book of Bols Bridge Tips:

4 of 4 people found the following review helpful. Classic adviceBy V. LakshmananThis book is chock-full of advice. The tips were innovative when they were made, but they are probably in the air now. If you've been playing a while, you probably have encountered this advice before. Still, read the book to find out what you've missed.Why only 3 stars? I think the editor could have updated some of the material rather than just reissuing it.

The BOLS Bridge Tips competition started in 1974, and took place off and on for more than 20 years. During that time, virtually all the world's greatest writers and players contributed their ideas to the series. For the first time ever, the entire collection of BOLS Bridge Tips are gathered here in one volume, edited and organized for easy access by the average player. Included too are biographies and photographs of all the contributors. Not sure what to lead? Can't decide the right bid? Want to make more contracts? Get pointers from the all-time greatest names in bridge -- Reese,

Rodwell, Zia, Flint, Goren, Hamman, Wolff, Schenken, Garozzo, Belladonna, Chagas and many more -- they're all represented. All the advice is here in a perfect potpourri for players of every standard.
