**Ralph Michaels : The Complete Canasta - With the Official Rules and Play** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Canasta - With the Official Rules and Play:

0 of 0 people found the following review helpful. BUY IT!By Frank G. De LucaIt's been extremely helpful, don't what Idid without it.0 of 0 people found the following review helpful. Five StarsBy CharlotteGreat book0 of 0 people found the following review helpful. OLD RULESBy SEASUNKOAThis book has little or nothing in common with today's

game of Canasta. Do not order it if those with whom you are playing are today's serious players!!!

Canasta was created in South America in the 1930's to make a game of rummy more exciting in a gentleman's club. This is a helpful guide to the game for the utter novice and the seasoned player alike. Including chapters on the history, rules, timing, strategy and variations on the original. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
