Fred Reinfeld : The Complete Chess-Player before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Chess-Player:

7 of 7 people found the following review helpful. Complete Chess Player - Reinfeld By J. Rock This book relies mostly on specific examples of game situations that seem frankly unlikely to occur very often. The book falls short when it comes to teaching principles and general information that can be used over and over in many situations. When I was a

beginner, I learned a lot more from Fred Reinfeld's book "How To Be A Winner at Chess." 0 of 0 people found the following review helpful. Good basic book By Family guy Reviews the basics of chess strategy with many examples. As is typical with this author's books, there is some tendency to oversimplify. the opening theory is obviously a bit outdated. The book could use more diagrams. However, I think that most beginning and intermediate players will find this book helpful. The author explains things well, and relates his examples to chess principles that are of broad application. 0 of 0 people found the following review helpful. chess book By Gary Odorowski This was a book that helped me improve my chess game and I wanted to make a gift of it. The book was in very good condition and I was very pleased with it.

Synopsis coming soon.....

From the Back Cover In The Complete Chessplayer you will find everything you need to play-and enjoy-a good game of chess.
