**Pam Percy : The Complete Chicken: An Entertaining History of Chickens (Country Life)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Chicken: An Entertaining History of Chickens (Country Life):

0 of 0 people found the following review helpful. The PERFECT Chicken Book By SouthernStorm The most fabulous book of chicken knowledge EVER! This book is literally packed with great history, useful breed information and care tips, fun facts, and historical memorabilia. Perfect for the modern homesteader, seasoned keeper, or curious enthusiast. 0 of 0 people found the following review helpful. Chickens rule the world! By ShirleyFlorine I am writing a paper to present to a literary group on someone or something that changed the world. I needed this book for the history of chickens ..... but found it absolutely a great source for information for my paper! The pictures were great to show as the book was handed from one person to the next. 0 of 0 people found the following review helpful. Good, but not great By Larry Boden This tome explores the chicken throughout the ages. Excellent graphics and many good pictures and stuff. I would have preferred more of how the chicken has contributed to culture throughout the ages. Having said that, the book's writer has a great affinity for the bird. Lovingly done and very factual. Recommended.

Provides an entertaining account of chicken history; chicken breeds; the chicken's role in art and pop culture, myth.

and folklore; plus information on chicken collectibles. Includes delightful artwork.

"This light-hearted but well-researched and beautifully illustrated [book] explores everything from cockfighting to chickens in classical music." -- Wisconsin Trails  
About the Author Pam Percy has been raising chickens as a hobby since 1986 on her five acre property. She has been researching chickens in art, history, and literature for nearly a decade, and this book is the result of that research. Percy is also executive producer of Hotel Milwaukee, a comedy variety program on Wisconsin Public Radio.
