Tim Brooks, Earle F. Marsh : The Complete Directory to Prime Time Network and Cable TV Shows, Seventh Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Directory to Prime Time Network and Cable TV Shows, Seventh Edition:

0 of 0 people found the following review helpful. Even if 10 years old great resourceBy CustomerSadly seems is the last edition... suthors passed or retired? But well passed the past update cycle.When they started it inb the late 70's they

were seasoned TV people.Plus now with online first run stuff the whole mix has gotten much more complex.Still a historical reference well worth having.0 of 0 people found the following review helpful. The Complete Directory: A History of TelevisionBy Stefano Montinino11/29/2013 2:33pm The Complete Directory to Prime TimeI have been buying this book for 30 years and it sits right next to me on my shelf, as I always need to look up another series.I wish they would list the number of episodes produced, they do that for syndicated series, cable but not for the main network series. I like this book but I do need say to the authors they should not list the final episode air-date when the network chooses to bring the series back as filler for the summer or an empty time-slot. Another quibble, the book has taken remakes of successful series and combined their histories as one series, including final air-dates, for example "The Odd Couple" 1970-1975 with "The New Odd Couple" 1982-1983. I find the extensive cast credits, timeslot changes, original debut and final air-dates, and the series format/plot/summary and for long-running series, a history, very helpful.0 of 0 people found the following review helpful. DisappointedBy James K. Richter Jr.Not much detail is given for most shows. A minor disappointment.

AMERICA'S #1 BESTSELLING TELEVISION BOOK--NOW REVISED AND UPDATED!The biggest and best television reference ever published, this is the guide you'll turn to again and again for information on every nighttime network series ever telecast and all the top syndicated and cable series!
