E. Hoyle : The Complete Hoyle's Games (Wordsworth Reference) (Wordsworth Collection) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Hoyle's Games (Wordsworth

Reference) (Wordsworth Collection):

Ever since the middle of the Eighteenth Century, 'according to Hoyle' has been an expression of fair and rule-abiding play. In an age when more and more people are rejecting the inanities of electronic games and returning to the old, perennial favourites, the reissue of this great book will be welcomed by all games players of discernment. This edition of Hoyle's Games has been prepared by Lawrence Dawson, and covers more than fifty varieties of card game, as well as Backgammon, Draughts, Chess, Solitaire, Darts, Dominoes, Nine Men's Morris, Billiards, Pool, Snooker and many more.
