John Nunn : The Complete Najdorf: 6 Bg5 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Najdorf: 6 Bg5:

The Najdorf chess opening is synonymous with names such as Tal, Fischer and Kasparov. It includes many famous

variations such as the Poisoned Pawn, the Polugaevsky Variation and the Gothenburg Variation. This guide covers all the variations of the Najdorf in detail and explains how to use it.
