John Nunn, Joe Gallagher : The Complete Najdorf: Modern Lines: The Definitive Guide to Fischer and Kasparov's Favorite Chess Opening (Batsford Chess Opening Guides) before purchasing it in order to gage

whether or not it would be worth my time, and all praised *The Complete Najdorf: Modern Lines: The Definitive Guide to Fischer and Kasparov's Favorite Chess Opening* (Batsford Chess Opening Guides):

2 of 3 people found the following review helpful. It's all there
By Doug
This book covers the lines other than 6. Bg5 with remarkable research without being completely limited to what has been played OTB. Time and again the authors aren't afraid of making honest judgments on a line, whether or not scored well in a game, and offer new and interesting sidelines for both Black and White. What more can you want from a repertoire book?
20 of 25 people found the following review helpful. Good comprehensive work
By A Customer
Have been waiting for this to come out ever since I got the first volume, and it does not disappoint. Timely and topical, for example, devoting a chapter to Kasparov's favored 6. Be3 Ng4 line which was so effective at Linares 1999. This book was primarily authored by Gallagher, and I like his work very much.

The Najdorf Sicilian is synonymous with the all-time great chess openings--and is one of the sharpest and most hotly contested. The companion volume to *The Complete Najdorf 6 Bg5*, this is the most authoritative and up-to-date coverage available anywhere in the world today.
