**Joe D Andrews : The Complete Win at Whist: Basic, Intermediate Advanced Strategies** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Win at Whist: Basic, Intermediate Advanced Strategies:

1 of 1 people found the following review helpful. A book that lives up to its title!By Steve Johmson"The Complete Win At Whist" is chock full of information about a card game which has been around for a very long time. It covers everything from basic play to advanced strategy.There are many illustrative hands with play by play analysis, as well

as a complete glossary of terms and definitions. Finally, a chapter featuring two of the largest "live" Whist organizations / clubs in the U.S. is included. You will also learn about the different variations of the game, most notably the Bid, Kitty, and Straight versions. A book to enjoy !0 of 0 people found the following review helpful. Five StarsBy cody w henryvery good2 of 2 people found the following review helpful. I also enjoy the other card gamesBy Nannette CaseVery well written. I am a die hard whist player, met Mr. Andrews several times he is a master at writing card games books. I also enjoy the other card games. I enjoy reading his books and getting tips on the game, as well as the games he has also written.

**SHARPEN YOUR SKILLS !WHIST** is one of the original Classics, predating the card games of Bridge, Pinochle, Spades, Poker, and Hearts - to name a few. The last 50 years have seen the resurgence of many variations of Whist - especially the Bid version with the use of Jokers! The popularity of the Internet,dedicated APP Sites, and the growth of "live" tournaments, have helped to promote Whist.Joe Andrews, the author of *The Complete Win at Hearts, Spades, and Euchre* books, introduces players of all abilities to Whist. There is a focus on strategy and technique. The use of illustrative, instructional hands and quizzes, will help to improve your skill level. You will learn to master: . Analysis of the hand . Bidding . Play of the hand . Defensive strategy . Working with your partner . Trump and No Trump skills In addition, you will find: . The complete history of Whist . Joker / Kitty and Straight Whist variations . A full glossary of terms and definitions . Chapters devoted to Whist organizations . Official Rules for "live" tournaments This book will help you to get the most out of Whist!

**About the Author**Joe Andrews has been playing competitive card games for more than 40 years. In addition, he has had numerous card game articles published in *Games Magazine* (since 1999). He was also a contractor for the U.S. Playing Card Company, the MSN Gaming Zone, as well as many Internet card game sites. He is a games inventor, having released two new card games (Jack Attack!, and Heartswitch) during the past few years
