his friend had one and "he actually knew some of the answers". Even the "easy" crossword puzzle books have too many questions per puzzle that only adults would know. This isn't easy for him but with a few hints (not answers) from mom, he's successfully solving the puzzles. Highly recommended for Tweens who like the challenge of crosswords but find little kid crosswords too easy. 0 of 0 people found the following review helpful.

FRUSTRATING! By Stargaret Not enough connected words. 1 of 1 people found the following review helpful. Fun learn new uses for words By Deanna Ford Fun learn new uses for words. Words you have forgotten

Everyone loves a crossword! This collection is packed with crossword puzzles of all challenge levels and makes an ideal gift or stocking stuffer for any crossword puzzle fan.
