**Hunter S. Thompson : The Curse of Lono** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Curse of Lono:

[MP3CD audiobook format in Vinyl case. \*NOTE: The MP3CD format requires a compatible audio CD player.][Read by Malcolm Hillgartner]This enormously eccentric book takes listeners on a crazy journey with renowned gonzo journalist Hunter S. Thompson. The Curse of Lono is to Hawaii what Fear and Loathing was to Las Vegas: the crazy tales of a journalist's "coverage" of a news event that ends up being a wild ride to the dark side of Americana. Originally published in 1983, The Curse of Lono features all of the zany, hallucinogenic wordplay for which Hunter S. Thompson became known and loved. This curious book, considered an oddity among Hunter's oeuvre, is a widely soughtafter treasure.
