Tony Kosten : The Dynamic English : The aggressive player's guide to a traditional chess opening before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dynamic English : The aggressive player's guide to a traditional chess opening:

0 of 0 people found the following review helpful. Recommend it.By Mr. Thadeu FreitasIf you are after a catalogue of variations for white to hit the floor running, then this is the book for you. I resort to it every now and then when I am playing correspondence or need to review a variation after a game. Recommend it.1 of 1 people found the following

review helpful. The best for English OpeningBy Krishna PrabhakarIt is one of the best books to come out on English Opening; which is a highly underrated opening at beginner and Intermediate level. The author sticks to a particular plan and theory and the emphasis is on positional understanding. It is also surprising to note that there are so many pitfalls if black goes wrong. 1 of 1 people found the following review helpful. Excellent!!By D. BowdenProbably the best repertoire book I've ever seen. Clearly laid out, concentrated on themes that are easy to remember rather than a thicket of complex variations. I'm sure the brevity is a limitation, but for a creative player below the master level it may be enough to venture into the tournament arena with confidence. I wish Kosten would update this great resource.

Grandmaster Tony Kosten concentrates on aggressive treatments of the English - an approach that has brought him great success in tournament play. His book provides everything you need to start attacking with the English Opening, supplying players of the white pieces with a set of weapons that will equip them to challenge any opponent they face. There is an ideal balance of explanation and analysis, and practical examples illustrate the key themes.

From the PublisherGambit Publications specialises in chess and has an unrivalled reputation for originality and editorial excellence. The company is owned and staffed entirely by leading chess masters and grandmasters.About the AuthorGrandmaster Tony Kosten comes from England, but has been based in France for many years. He is a regular and successful competitor in international tournaments, and is so respected in his adopted country that he has been appointed trainer for the French national team.
