He loved it.0 of 0 people found the following review helpful. This will make you fall in love with cartoons all over again.By Fazal HassanDo you love cartoons? I do and I'm 42! This book will help you learn about the classics.4 of 5 people found the following review helpful. Book reviewBy Beaker 63This a great book for people that love animated cartoons. While I am not an expert in the field, I felt that I got my moneys worth with all of the information about the cartoons that I enjoyed as a kid and am enjoying now in my senior years. I would highly recommend this for someone that wants to know more about the cartoon series that they grew up with.

An illustrated, detailed guide to animated cartoons from 1909 to the present. Old favourites such as "Betty Boop", "Felix the Cat", "Bugs Bunny", "Mr Magoo", "The Flinstones", "Scooby Doo" are presented alongside the most recent cartoon characters and creations. In over 1,000 entries, details of creators, directors, producing studios, voices, episode titles, dates of release and much more is provided. Up-to-date information on silent cartoons, theatrical sound cartoons, feature films, television series and Academy Award nominees and winners is incorporated.
