R.M. Reed, M.K. Reed : The Encyclopedia of Television, Cable, and Video before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of Television, Cable, and Video:

This is a major reference work about the overlapping fields of television, cable and video. With both technical and popular appeal, this book covers the following areas: advertising, agencies, associations, companies, unions,

broadcasting, cable-casting, engineering, events, general production and programming.
