Steve Giddins : The English: Move By Move before purchasing it in order to gage whether or not it would be worth my time, and all praised The English: Move By Move:

9 of 9 people found the following review helpful. Maybe for the lower ranked tournament player.By Tom Van Den AbellI'm an under 1400 tournament player. Maybe my higher ranked opposition doesn't need this kind of help, but I do. I'm just beyond playing openings by rote (and getting trapped), and need some 'theory' about how some structures work! This sort of book helps me understand when to shift plans in my games, and when to seek safety.At my level the English is just enough unusual to take my opponents out of their books, and into this one. The first chapters are worth the money IMHO.2 of 2 people found the following review helpful. Really well done. Explains in enough detail that

you ...By Ezra Daniel PhippsReally well done. Explains in enough detail that you understand the nuances of the position but does not overwhelm you with endless variations. I could do without the silly questions but that is the only issue I had with the book and it is very minor. This book is probably most appropriate for players in the 1500-2000 range.1 of 1 people found the following review helpful. Make the move!By Jedwin SmithAnother outstanding presentation via Move by Move. Well worth the purchase.
