Harry Wastrack : The Essential Hand Foot before purchasing it in order to gage whether or not it would be worth my time, and all praised The Essential Hand Foot:

7 of 7 people found the following review helpful. Card playing neighborsBy Shopper4444We were delighted to find this book for our card loving neighbors. They seemed to really enjoy it, especially the wife who insisted that her husband could use it :)2 of 2 people found the following review helpful. Recommend for the beginnerBy CustomerJust got introduced to Hand and Foot on our game night. There was a lot of discussion and uncertainty about the rules of

play. I bought this book to get some guidelines. It is an excellent basis to set up your own house rules on. We all developed a mutual set of rules using this book. 0 of 0 people found the following review helpful. not so impressed
By Lila Ritschard was not what I have learned how to score. I suppose it is like every thing, all have their own way scoring the game

In the late 1940s and early 1950s, Canasta was all the rage. Fast forward forty years or so. Canasta is still played, though mostly by people who learned the game more than a generation ago. However, somewhere (I do not k

About the Author Harry Wastrack is a life-long card player and an avid collector of old and unusual decks of playing cards. Since retiring from a career in the Federal Government, he now spends much of his time writing and organizing card tournaments. He is a regular co
