Dont buy this bookBy Sandra JohnsonThis book is very deceiving(bible crosswords) its not, some of the questions are not related to the bible at all and is so hard, been years and I still havent completed it, not interesting at all, If I could return for a refund I surely would and its not worth the money, you can purchase it if you want to waste a few dollars or just need something to take up space on a table, guarantee you wont look at it twice.2 of 2 people found the following review helpful. Not really what it said on the coverBy CWI have to be honest I was quite disappointed with the purchase of this book. It promises to provide "150 challenging puzzles to test your knowledge of the Bible" when in fact the puzzles contain maybe 8 or so clues per puzzle based on the Bible. Most clues are in fact based on TV shows or other general knowledge, and not really about

the Bible. I bought it for my mother-in-law thinking it was the best gift for her she knows the Bible backwards, however its turned out to be a bit disappointing. 1 of 1 people found the following review helpful. One Star By Bessie L. Vendouris wanted to send him a Bible....too few Bible puzzles with about 80-90% regular puzzles...interesting puzzles but NOT BIBLE puzzles
