My husband, who does the crossword puzzles in the new your times couldn't figure out some of them. These are supposed to be EASY....for beginners. I will say, though, that I bought some later editions V VI, VII etc and apparently this guy

realized that his puzzles were just too hard to be classified as "easy". The later editions are fun and do require some thought but they are doable and very enjoyable.0 of 0 people found the following review helpful. Crossword book.By William G.
