By D. at LLRC Great book for people who have difficulties seeing small print. It allows people with limited vision or other impairment to have something that will engage their minds. For people who do not have difficulties now, we tend to forget how hard it can be for people with vision difficulties. The ability to solve word

search puzzles may seem like something simple, But it may be the only thing can do and it is very important to be able to do for people who have difficulties with memory skills as they get older and Word Search puzzles especially puzzles that they can see is important.0 of 0 people found the following review helpful. Five StarsBy George bearwife loves these!!
