He's pretty critical of crossword puzzles, but he has been obsessed with these! He said they are fun and not too easy at all. Since he had a lot of time off work during the holidays, it was perfect for keeping him entertained, especially since he had two snow days this week. I'd highly recommend this one.1 of 1 people found the following review helpful. Five StarsBy Jane Schallenging yet fun0 of 0 people found the following review helpful. Definitely a winner!!By DawnyI am still currently doing this book but WOWOW!!! It's great that there are no just movies from today's day and age but also from the 1930's, 1940's, etc. I am no completely up to snuff with those older movies but I am definitely learning quick!!
