0 of 0 people found the following review helpful. The NOTHING Sports Related Crosswords Book By JD76 This has NOTHING to do with sports. 100% false advertising. Each puzzle may have 2 to 3 semi-sports related clues. That the name of this book is "Everything Sports" is completely insane and beyond misleading. It's a regular crossword puzzle book. Which is great if that's what you're looking for. If you are actually wanting a remotely sports related crossword book, keep looking. 0 of 0 people found the following review helpful. Love it!
