Danny Roth : The Expert Beginner (Collins Winning Bridge) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Expert Beginner (Collins Winning Bridge):

One of the best bridge books ever.By eazzythis is a totally different approach to playing bridge, but when you first sit at the table you will be playing bride, thinking like and expert. Yes the book takes some work to get there, but it is well worth it.If you are not counting out hands (every hand), and cant seem to do it, but want to, this book will show you how, and is the only bridge book that will.0 of 0 people found the following review helpful. Five StarsBy barbaraExcellent beginner book
