Not extreme but a very nice book By netgal62177I have to say I was really disappointed that this was called "the extreme wordsearch..." because this wasn't challenging at all. I LOVE the spiral book and the size is perfect and the puzzles are nice to do. I was just hoping that it would be "extreme" and it

wasn't.6 of 6 people found the following review helpful. Extreme word search book setBy WisdomcallsGood, visible type. Easy to read. Challenging yet not too difficult to solve. Would purchase more if offered. Nice topics, interesting.4 of 4 people found the following review helpful. Easy and a no brainerBy Kindle CustomerI like doing these word search puzzles especially when I'm on the phone. Each puzzle has a theme to make it that much easier to do. The book is thick but small in size. Easy to carry.
